Dear Fellow Alumni and Friends,

It is with great excitement that I write to you. As I have begun to assume the responsibilities of administrator of Silliman, I am humbled by the position. So many great administrators have held this position before, and I pray that I can continue to uphold the high standards and beloved traditions of our great school. Being a daughter of an original board member, a Class of '71 graduate, a teacher, a mother of three Silliman alumni, and the assistant administrator of Silliman, my love for Silliman and my desire to see it prosper is of utmost importance to me. Please know that I feel a responsibility to each of you to protect all of the aspects of Silliman that we love.

If you are in the area, please feel free to stop by for a visit. I would love to reminisce with you, listen to your ideas for Silliman, and to show you what has changed since your last visit. Please keep checking our website for news and events. Our website is one area that will be improving in the near future. It is our desire at Silliman to have a website that is not only a source of information, but to have a site that will showcase our great school.

I look forward to serving Silliman as administrator and to partnering with all of you to keep Silliman Institute a place that can boast of providing 150+ years of educational excellence. If I can be of service to you, or if you have some ideas and suggestions for me, please feel free to call at the above number or email me at akent@sillimaninstitute.com.

Sincerely,

Ann A. Kent
