

BUS APPLICATION

Silliman has three bus routes, covering the St. Francisville/Jackson area (Area 1), the Bluff Creek/Pride area (Area 2), and the Zachary/Slaughter area (Area 3). Every effort will be made to consolidate pick-up points so that your children will have the shortest route possible. Shorter routes also result in lower fuel costs, which keep your fees lower. Bus fees are listed below:

1 Child \$900.00 per Year/\$100.00 per Month
2 or more Children \$1,350.00 per Year/\$150.00 per Month
Single Day \$10.00 per day

Remember that families begin paying bus fees in September, and pay them 9 months out of the year (September through May), even though the buses run every day of the school year. If you plan to use the bus system for the coming year, please detach the section below and return it to the Business Office by **July 11, 2011**. Your bus driver will contact you the week of August ^{1st} regarding your specific pick-up points and times.

BUS APPLICATION
